WHY WORK IN CONSTRUCTION?

A HUGE CHOICE OF ROLES  
IDEAL IF YOU DON'T WANT TO BE STUCK AT A DESK  
LEARN IMPORTANT SUSTAINABILITY SKILLS

THERE ARE MANY PATHWAYS INTO CONSTRUCTION ROLES.

**100+ APPRENTICESHIPS AND DEGREE APPRENTICESHIPS**

**T LEVELS**

**RELEVANT DEGREE**

**ENTRY LEVEL TRAINING**

**GRADUATE TRAINING PROGRAMMES WITH EMPLOYERS**

WITH HUGE DEMAND FOR SKILLED YOUNG PEOPLE, THE CONSTRUCTION SECTOR IS DEFINITELY ONE TO CONSIDER. IT OFFERS A SATISFYING CAREER WHERE YOU CAN REALLY SEE YOUR HARD WORK COME TO LIFE.

Only **10%** of construction workers are under 25

The government aims to build **300,000** houses a year by the mid 2020s

**31,600** new trainees are needed each year to keep up with demand

Only about 11% of construction employees are female despite the sector offering excellent opportunities for women.
