

# Fully funded training to boost your careers education programme

Supporting Careers Leaders of all levels to improve learner aspirations and outcomes and help level up life chances.

Scan now for a  
2024 start

Designed for Careers Leaders across  
ALL settings

Fully funded

Flexible learning options

Bursary award on completion

Accredited courses up to level 7

CEC training providers:

## **Fully funded and bursary backed**

Training comes at no cost to you, your school or college. On completion, you will also receive a £1,000\* bursary to spend on your careers programme, any course expenses acquired (e.g. staff cover) or further CPD.

## **Flexible design and delivery**

Choose from a range of courses and providers to suit your needs and minimise time away from your institution. Delivery options include face-to-face, virtual, blended, and distance learning.

## **Boost your knowledge, confidence and impact**

Gain access to a qualification (up to level 7) with both non-accredited and accredited programmes. Build your confidence to develop a careers programme that accelerates achievement of the Gatsby Benchmarks.

## **Getting started**

The first step is to scan the QR code and explore our training providers - decide which course and provider is the right fit – then complete the simple registration.

\*£500 for Enhanced top-up course
