This newsletter is your inside look at everything happening at Berkshire Skills Bootcamps, bringing exclusive behind the scenes insights from our team and delivery providers as well as exciting announcements about the future of Skills Bootcamps in our region.

For those of you who are just getting to know us, we are a small but passionate team supporting 12 incredible delivery providers to deliver funded Skills Bootcamps to adults across Berkshire.

Our programmes are designed to support:

- **Unemployed** individuals seeking new opportunities
- **Self-employed** professionals looking to upskill and grow their businesses
- Employed individuals ready for a **career change**
- **Businesses** aiming to upskill and retain their workforce

Whoever it may be, we are here to help them take the next step.

Our vision: To be a leader in economic growth by providing skills, employment, business and investment support from classroom to boardroom.

Our mission: We will collaborate with businesses, educators, partners and key stakeholders to deliver flexible and agile solutions, driving impactful growth.

What are Skills Bootcamps?

Skills Bootcamps are funded, flexible training programmes of up to 16 weeks for adults aged 19 or over. They are designed to help individuals gain sector-specific skills and fast-track their development with a guaranteed interview upon completion.

These programmes are not just for individuals – they're a strategic, cost-effective opportunity for employers too.

For individuals

- **Gain real-world skills** in high-demand sectors like digital, construction, green skills and more
- Get **career support and guidance** throughout your journey
- **Connect with future employers** actively looking for your talent
- **Step into a new role** – Bootcamps lead directly to job interviews and open so many doors.

For employers

- **Upskill your existing staff** – give your team the tools they need to thrive in an ever-changing work landscape
- **Support career progression** – support your employees to take on new responsibilities and grow into leadership roles
- **Boost retention and morale** – investing in your team shows commitment, reducing turnover and hiring costs
- **Improve productivity and innovation** – equip your team with relevant industry knowledge and practical skills
- With our hundreds of talented job-ready Skills Bootcamps graduates, you will be exposed to a pool of newly skilled participants who you could **hire for your next vacancy**.

We work with a **growing network of experienced, high quality training providers** across Berkshire to ensure every learner and employer gets the support they need.

Meet The Team

Behind the scenes our dedicated Berkshire Skills Bootcamps team works hard to make these success stories happen. We may be small in numbers, but we are big on passion, purpose and people.

Our team bring expertise in programme management, partnership building, data analysis, and strategic growth. Together, we are committed to helping individuals and supporting your business to thrive!

In this issue, we will spotlight our Programme Team members so you can get to know the people behind the programmes and how they can support you.

Claire Bradbury
Skills Bootcamps
Programme Manager

”I'm pleased you're reading our first newsletter. It would be great to have your feedback. As the Skills Bootcamp Programme Manager I'm responsible for overseeing delivery of the programme, supporting our delivery partners and my team to ensure that Berkshire Skills Bootcamps delivers the best outcomes for individuals, for employers and ultimately address priority sector Skills gaps and facilitate growth in our local economy. Berkshire Skills Bootcamps are only successful if people engage and utilise the opportunities afforded to them. Get involved. ”

Meet The Team

Jack Hammond
Senior Skills Bootcamps
Programme Coordinator

“Hi, I'm Jack, the Senior Programme Coordinator for the Berkshire Skills Bootcamps. I've been with the company for over three years, supporting the delivery and success of our programmes. As the account manager for a range of our delivery providers, I focus on building strong partnerships and ensuring high standards of support and performance. I've also played a key role in developing and implementing our internal tracking systems to help improve efficiency and oversight. I look forward to continuing this work and supporting delivery partners.”

Kathryn Cousins
Skills Bootcamps
Programme Coordinator

“Hi everyone, I am Kathryn, and I am new to the team as a Programme Coordinator supporting the rollout of government funded Skills Bootcamps across Berkshire. I will be working closely with our Delivery Providers to help them set up and deliver their programmes. I will also be supporting employers and individuals to access opportunities available. I will be sharing updates on funding, policy changes and new bootcamp launches to keep everyone informed. I am really excited to be part of this incredibly successful programme and look forward to connecting with you.”

George Eaton
Skills Bootcamps Data
Analyst and Data Processor

“I'm George, the Data Analyst and Data Processor for the Skills Bootcamps team. My role is to produce reports that highlight the performance of the delivery partners internally within our team and organisation, and externally to the Department for Education. I love discovering trends and answering questions using data. I also help support Delivery Partners with any queries they have.”

Rachel Williams
Provider Quality and
Performance Lead

“Hi, I'm Rachel and have joined the Skills and Business Hub as Provider Quality and Performance Lead. In this role, I'll be working closely with our Delivery Partners to support and strengthen quality of the learner journey across a variety of skills initiatives, including Skills Bootcamps. It's a great opportunity to champion shared learning, spark innovation and ensure we're collectively delivering the best possible outcomes for learners. I look forward to fostering these links in support of Berkshire's skills and business development.”
